Hollie Hill Care Home, Stanley

A home that feels *just right*

Our home is situated in a quiet, residential area close to the bustling town centre. We are close to local shops and public transport, so visitors find it easy to pop-in any time.

Our team offers residential care for those who need help with daily tasks, and for people living with dementia. We also provide nursing care for people with more complex medical needs, as well as respite care for those who would like a change of scenery and good company, or for carers to take a little break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals, events and activities.

“ The staff were wonderful, not only caring for Mam's needs but they were very aware of our emotional needs. ”

Our residents particularly like...

- Exploring our lovely sensory garden
- Our well stocked, on-site shop
- Being pampered by our in-house hairdresser
- Free Wi-Fi throughout the home
- Being able to add personal touches to their rooms
- Regular, exciting activities with the other residents
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
