

Four Seasons Health Care

Barrington Lodge Care Home, Bishop Auckland

A home that feels *just right*

Our care home is situated in a pleasant, residential area, surrounded by expansive gardens in the bustling market town of Bishop Auckland. We are within easy reach of the town centre and excellent transport links, so visitors find it easy to pop-in any time.

Our team offers residential care for those who need help with daily tasks, nursing care for people with more complex medical needs, and care for those with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, with fresh, seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ The staff take time out to talk and listen to any queries or advice that I may have. ”

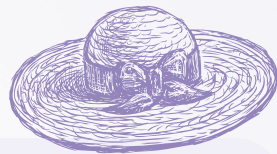

Our residents particularly like...

- Fresh, home baking every day
- Relaxing and socialising in our beautiful gardens
- Refreshments always available
- Being pampered by our on-site hairdresser
- The warm, friendly atmosphere
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
